

## Quality Policy

Cableduct aims to achieve and maintain a high standard of quality in all aspects of its operation and to continually satisfy the expectations of our customers in respect of the products and services we supply.

Cableduct aims to ensure that the needs of our customers are clearly understood and met through close liaison at all stages of the work.

We are committed to continuous improvement and all work is conducted to a high professional standard with technical and commercial integrity.

The company is committed to effective Quality Management at every level within the business. While delivering its products and services to customers and working with suppliers, Cableduct will ensure that:

- the quality policy is upheld and supported by management at all levels;
- staff responsibilities and duties are clearly identified;
- staff are appropriately trained to enable them to undertake their tasks and given appropriate authority within the scope of their responsibilities;
- sufficient resources are provided to facilitate the work;
- quality culture is reviewed regularly.

Although the Managing Director has ultimate responsibility for Quality, all employees have a responsibility within their own areas of work to help ensure that Quality is embedded within the whole of the company.
